Over the years our premium donors' generous support and dedication to our synagogue has enabled Congregation Beit Tikva to enrich our programs and improve our ability to serve our congregants. Your generous contributions enable CBT to develop our on-line presence and programs. This year we hope to continue meeting within the Sanctuary to celebrate some very special cultural and musical programs. At the \$2,650 level one becomes a Sustainer. At the \$4,250 level you join the Rabbi's Circle. In addition to underwriting our cultural and worship programs, your generosity supports the Rabbi's position. This is a significant aspect of our continued growth and connection to the greater Santa Fe community. Your gifts have enabled us to enhance our synagogue life in a myriad of ways. We thank each of you for your generosity at any level you choose to contribute.
